

TOORAWEEAH PUBLIC SCHOOL

NEWSLETTER—22.04.15

School News Week 1 Term 2

New enrolments

Welcome to Clayton, Mikayla and Dustin (Dusty) Skinner to Tooraweenah Public School. You will have the time of your life here if you take advantage of the many social, sporting and cultural activities in which we are involved. They have fitted in quite well considering this is only their second day and Tuesday was “different” with 9 students absent because of inability to get to school due to swollen creeks and flooded roads. Our student enrolment is now thirty.

Generosity

I would like to publicly acknowledge an extremely generous donation to the school from Kate and Phil Holland. Their generosity has allowed us to replace and extend our sets of PM readers and to purchase the full kit of the MultiLit program for use with reading and parts of other literacy strands. PM readers will be covered for longevity of use and will come home as readers mainly in the K-2 classes. On behalf of the entire school community I extend our heartfelt thanks for the support of our students now and for many years to come.

ANZAC Day

A reminder that the ANZAC ceremony is at **9am** this year. The community has an expectation that the Principal and staff attend. The same expectation extends to the students at Tooraweenah regardless of the fact that it is on a non-school day. It is a matter of respect and honour, two values we actively reinforce at school. The children will perform two items at the ceremony. They are required to be in full summer uniform with clean polished shoes. I seek your cooperation in this regard. We will meet at the usual spot no later than 8.45am.

School Awards system

At Friday's assembly, Sophia Moppett will receive her school banner for 25 awards and the next Merit Certificate for 30 awards.

Date changes

A calendar for Term Two was sent home at the end of term One. There are some date changes for Connect 5 and for canteen. These can be found on attached sheets and the updated Term Two calendar on the school website.

Extended Transition Program

Our extended preschool to kindergarten transition commences next Monday. We have four families/students that have taken up the opportunity.

Cross Country

The students were due to commence daily training yesterday for our upcoming school cross country at the showground/golf course. Due to wet conditions this has had to be put on hold. It is appropriate for students to bring their joggers to change into each morning.

Wear Western Day

Next Wednesday is "Wear Western" Day when the children can wear red and green clothing in support of the Western Area Sports Association. A gold coin donation is asked for the day. I will add more to the collected total and forward the funds to Western Area that sends a combined cheque to Stewart House, the department's official charity.

"One in, all in"

Regards

Col Hare

Principal

DATES TO REMEMBER

Habitat Multimodal Book for iPad & Mac

Habitat is a special multitouch book that investigates the needs of living things through detailed text, interactive activities, videos and stunning images. Explore the value of habitats such as trees, shrubs and ground cover plants and non-living habitats such as leaf litter, rocks, logs and water. Find out how to create and restore habitats that will help animals survive and thrive. This book was designed by teachers to support the NSW Syllabus for the Australian Curriculum Science & Technology K-6 and English K-6, Download Habitat for free on the iBookstore <http://apple.co/1IbNcex>
