School News Week 4 Term 2

Eumungerie Questacon Science Fair

Attached to School News is a send back slip of intention to take up the Eumungerie P.S. lunch order deal, or not, for when we go to the Questacon Science Fair on Friday 29th May. For \$4 they are offering a sausage sandwich, a popper and a piece of fruit. We need to know numbers for Eumungerie catering purposes. On the day, the children will take their own recess with them. ***As a matter of courtesy to the voluntary catering group, we need these slips returned asap.*** Thanks to those who have returned their slips.

K-6 Excursion

Following the P and C meeting I am now in a better position to provide details of costs involved with the excursion. This information will be included in next week's newsletter as I am presently recovering from surgery and have Professional Development on Friday (if I have recovered sufficiently.) Penny Zell and Janine Ferguson, together with school staff have capably kept things running smoothly for all students during my absence.

NAPLAN

National testing of Years 3 and 5 students has now reached completion.

Community Reading Day/Eumungerie Questacon Science Show

Attached to newsletter you will find a double permission note to be completed and returned to the school by 19th May.

Voluntary School Contribution Invoices will be issued to families in Week 5/6.
