School News Week 9 Term 2

Excursion

On Tuesday two very important forms went home with each child who has indicated they will be attending the excursion. Both notes need to be completed in full and returned ASAP. **Medicare numbers must be added on the Medical Form.** Each child must have their own note. The second form was two permission notes on a single page- one for the excursion and the other for our trip to Geurie on the 24th July for Musica Viva. This is the day after we get back from Gulgong!!

Eleven (11) parents and staff will be in attendance. They must also complete the medical form in full including an emergency contact.

If parents plans have changed and they will now be unable to attend please let me know as final numbers have to be submitted early next week.

Reports

K/1 and 2/3 reports go home next Monday with interviews held later in the week. This is because Mrs Jenkin is conducting interviews before she has her baby. Years 4/5/6 reports will go home next Thursday or Friday and interviews will be in Week One of Term 3 at a mutually arranged time due to the fact that many parents work and are unable to come at a specific time and day. Tuesday from 12.30pm and any time Friday are preferable.

Netball/ Rugby League

The children had a great day at Coonamble last Thursday with a number of parents in support for encouragement. Results varied. The Year 3/4 girls won two games, drew one and lost one. Years 5/6 girls won two, lost two. Our Rugby League boys drew two, lost one.

School Zone Lights

These were fitted this morning.

Canteen next week

A reminder that canteen will be on Monday next week and the Principal's barbecue will be at lunchtime on Thursday – hot dog bun with a thick sausage and sauce if required. If your child doesn't eat/like sausages then you will have to make your own arrangements for their lunch as my café/takeaway food license has expired. This is a no cost event. Leonie lunches will be available on Friday.

Gilgandra High Promotion Day

Teagan Watt attended this today. All other Year 6 students who are attending non-government schools next year have already been and seen at their own orientation/interview days.
