School News Week 5 Term 3

- Apologies to Heidi Ferguson, who was the Junior Girls Champion at our recent athletics carnival. Ella Hanney was listed on last week's School News as the winner. I have issued a revised copy to Heidi for posterity.
- Best of luck to our 7 representatives who will be competing at the Dubbo District PSSA carnival this Friday. I will be the Small Schools' Manager on the day. At Tooraweenah, Miss Kenny will be the Principal for the day.
- There will be no administration staff at the school from on Wednesday, Thursday and Friday this week and all of next week. Where possible, the phones will be answered by the teaching staff. At times your call may be missed so it is vital that you leave a message on the school's answering machine so we can get back to you as soon as possible.
- The Years 4/5/6 class have spelling and Maths homework each week due the following Wednesday. CWA projects on Italy are to be done at home. These are due for presentation on 20th August but the ladies require them beforehand for judging. **Next Monday would have to be the deadline.**
- Children from K-6 have each selected a topic for presentation at the Baradine Public speaking Day on Wednesday 2nd September. Whilst they will have opportunities each day to develop content, they should also practise their delivery at home. In front of a mirror is usually a good strategy.
- Next week I will be attending the Western Primary Principal's Conference in Dubbo on Thursday and Friday. Mrs Smith will be the acting Principal on Thursday and Miss Kenny on Friday.

Col Hare
Principal

Earn and Learn – There is now a box available at Woolworths Coonabarabran. Please look carefully as they have made a make-shift box from old cardboard and it is a little hard to see beside the other brighter boxes. The box has our school logo and whole of school photo displayed. If you don't shop at Coonabarabran Woolworths, please send stickers into school with your children.

Transport Conveyancing Subsidy – I have been unable to complete the transport subsidy for Semester One due to technical difficulties within the Transport Department. We will be advised when the system is up and running again.
