School News Week 10 Term 3

Term 3

To say that this term has been jam packed would be an understatement but we have nearly made it. The children, staff and parents have stood up well to our frenetic schedule. Term 4 is 11 weeks but we have a lot to do such as Swim School, Lion King, Musica Viva at Geurie, Year 6 Farewell and Presentation Night, just to name a few.

Have a great holiday, rest up because you are all going to need it ready for next term. **Students return on Tuesday 6th October due to the public holiday on Monday 5th October.**

Extended Transition Program

There is no transition in the first week of term due to the public holiday. The last transition day will be Monday of Week 6.

FYI

Homework for the students in the 4/5/6 class has been learning their respective parts in the Lion King and listening to and singing the songs, compliments of the CD to each family provided by Miss Kenny.

Athletics Clinics

These were highly engaging and well presented by Johnny Ribeiro all the way from Whalan near Mount Druitt in Sydney. These were funded through a grant from Sporting Schools Australia.

"The Lion King"

A fruitful meeting was held last Wednesday by a small group of enthusiastic parents and staff. All is planned for costuming and props. Our special stage blocks are due to arrive Week 1 next term.

Term 4 calendar

A calendar for next term is included with School News. This is only a skeleton and you should add events to the calendar as you receive information throughout the term. Please note that certain dates are only tentative and subject to change. Some dates are set in stone such as Musica Viva, Swim School, Year 6 Farewell and Presentation Night.

School Award System

Congratulations to Taylor McDonnell of Year One, who received a Merit Certificate for 5 achievement awards at last Friday's assembly.

Reward Day

This is on at lunchtime **tomorrow**. We are having hot dogs. If your child has an aversion to hot dogs then parents will have to send lunch as normal. Children should bring their fruit for Crunch and Sip and their recess as for a normal school day.

Lion King News.....
As part of the preparations for the musical spectacular that we are bringing to you in Term 4 we are now seeking a donation from families to help the school to purchase T-shirts and headresses for our performers. As a guide, \$15 per student would be fantastic. For those families with more than one student we are happy for you to contribute what is comfortable and doable for you. These donations can be left at the office
