## School News    Week 7 Term 1

### **Grandfriend's Day – Change of date**

We originally had 16<sup>th</sup> March down for this event. We changed it to 6<sup>th</sup> April after discussions with the Gilgandra Shire coordinator of senior citizen's activities. We now discover that St Josephs have scheduled theirs on the same day. We love having the preschool join in on our day so to allow attendance of preschool parents and grandparents of both St Joseph's Primary and the Tooraweenah Preschool students we have rescheduled our Grandfriend's Day for **Wednesday 30<sup>th</sup> March**. We have attached an invitation for you to distribute to Grandparents'/Friends etc. If you need extra please see Mary or Gwenderlyn. See you there.

### **Western Area Swimming**

What a great result at Western Area level for our relay team of Grace Peart, Sam Duff, Heidi Ferguson and Isabella Worner last Friday. The team finished 4<sup>th</sup>, missing out on going on to Sydney for state by a fingernail! I received a phone call soon after the event from a group of very excited and proud parents and children. Congratulations to you all. The school community is very proud of you. Next year we are going to grow your fingernails longer prior to the event.

### **Resource Management**

- Our replacement solar inverter arrived yesterday and will be fitted in the coming days. This is now the third inverter in two years! The inverter is from a world leader in solar energy devices. In the 2 years and 3 months since it was connected to the grid it has worked about 50% of the time. Hopefully it will be a case of third time lucky, offsetting electricity costs by about 23 kilowatts a day making our heating and cooling cost neutral.
- Assets Management and Public works were here today assessing and costing the replacement of our evaporative coolers. This is not a cost for us.

## Our school photos will be taken on the 21<sup>st</sup> March, 2016

For the convenience of our school community, school photos can be ordered and paid for online using a secure online platform. Orders placed online DO NOT require an envelope, cash/cheques or paperwork returned to school. *Envelope Orders:* photos can also be purchased in the traditional manner using an envelope, with cash/cheque enclosed. **The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.**

To place your order visit [www.advancedlife.com.au](http://www.advancedlife.com.au) and enter the code **X34W7W2JK**. This code can also be found printed on your envelope. Please be aware that-

1. Sibling/Family Photos can be ordered online or via envelope. To ensure a smoothly run photo day, online orders for *Sibling/Family Photos* will be cut off at 12.00 a.m. the night before our photo day to allow a list of students that require Sibling/Family Photographs taken to be compiled. Sibling photos can still be ordered after the online cut off date by collecting an envelope from the office and returning the envelope on photo day with your payment enclosed.
2. All online orders should be placed on or before our day of photography.
3. The online code above may also be used to order sports and other group photos.

**All orders placed online will be delivered to the school for collection**
